Community Outreach

- **Move-in is a great time for outreach**
 - You only move in once
 - You have natural momentum
 - You can utilize the news

Community Outreach

- **Great way to roll-out the new brand**
- **Choose outreach based on your DNA**

Small Group Questions

- 1. How can move-in issues and surprises be reduced?**
- 2. Does your current brand clearly communicate who you are and what you do?**
- 3. What outreaches naturally tie into a new building move-in?**
